# About us...

*Formed in 1997* it is able to offer customised advice to make each event a success. Our staff, qualified in the management of national and international events and conferences, is characterised by courtesy, punctuality and efficiency.

*Euromeeting* this year celebrates **20 years** of activity, an important achievement attended thanks to the continuous and constant commitment to the organisation of events and conferences, in compliance with ever higher quality standards.

Twenty years of experience enables customers to provide a network of receptive, territorial, and cultural services that can cover every aspect of the event.

# Services...

## **Meeting**

Planning the event from contacting local authorities, accommodation facilities and financial management.

## **Destination Solutions**

Our **Euromeeting DMC** section, thanks to the deep knowledge of the territory, is able to offer unique opportunities, making the event an unforgettable experience. We carefully select the location of the event.

## **Events**

Euromeeting offers a full service for any kind of event., corporate meeting, incentive, gala dinner or Team building.

## **Incentive**

A tool that motivates and rewards the best collaborators to achieve the aim set by each company. We suggest...

- Rafting, Trekking
- Natural Trails, Bicycles routes
- Board Games: role, company and laser game.
